

RCOM appoints Deepak Khanna as CEO India Enterprise Business

Sees Indian Enterprise Revenues and Profits growing 30% per annum over the next 5 years

Mumbai, September 6, 2013: Reliance Communications Ltd., India's leading provider of telecommunications services for business enterprises, today announced the appointment of Mr. Deepak Khanna as CEO, India Enterprise.

Deepak, a MBA from the Symbiosis Institute of Management Studies, Pune, has rich and varied experience of 25 years, of which the last 15 years have been in the telecom sector.

Prior to joining Reliance Communications, Deepak has worked in leadership roles with Bharti Airtel and Tulip Telecom in this space.

Assuming his new responsibilities at the RCOM campus in Navi Mumbai, Deepak said, "Reliance is ideally positioned in the enterprises domain, already serving over 45,000 large, medium and small enterprises, including nearly 850 of the top 1,000 corporates in India.

We are committed to enhancing our market leadership, working as strategic partners with our valued enterprise customers, delivering a suite of world class products accompanied by flawless execution.

We see exciting growth potential in the enterprise business in the years ahead, and expect to register 30% per annum compounded growth in this space in both, revenues and profitability over the next 5 years."

About Reliance Communications Limited:

Reliance Communications Limited founded by the late Shri Dhirubhai H Ambani (1932-2002) is the flagship company of the Reliance Group. The Reliance Group currently has a net worth in excess of Rs. 89,600 crore (US\$ 16.5 billion), cash flows of Rs. 9,100 crore (US\$ 1.7 billion), net profit of Rs. 4,300 crore (US\$ 0.8 billion).

Reliance Communications is India's foremost and truly integrated telecommunications service provider. The Company, with a customer base of over 134 million including over 2.5 million individual overseas retail customers, ranks among the Top 6 Telecom companies in the world by number of customers in a single country. Reliance Communications corporate clientele includes over 39,000 Indian and multinational corporations including small and medium enterprises and over 830 global, regional and domestic carriers.

Reliance Communications has established a pan-India, next generation, integrated (wireless and wireline), convergent (voice, data and video) digital network that is capable of supporting best-of-class services spanning the entire communications value chain, covering over 24,000 towns and 600,000 villages. Reliance Communications owns and operates the world's largest next generation IP enabled connectivity infrastructure, comprising over 277,000 kilometers of fibre optic cable systems in India, USA, Europe, Middle East and the Asia Pacific region.
