Dear Sir,

We note recent reports in the press and confirm that Samena Capital, in a proposed Consortium with certain other global PE funds, is at an advanced stage of the process of due diligence and completion of definitive documents in relation to the acquisition of Reliance Globalcom Ltd., our global communications services business unit.

The intended time line for completion is end of May 2013.

At this point, there can be no certainty that this will lead to a transaction. A further announcement will be made in due course, if and when appropriate.

RCOM and Samena Capital are no longer in discussions with Batelco for the purposes of the above transaction.

Kindly inform your members accordingly.

Yours faithfully
For **Reliance Communications Limited**
