About Reliance Communications

Reliance Communications Limited, founded by the late Shri Dhirubhai H Ambani (1932-2002), is the flagship company of the Reliance Group. The Reliance Group had a net worth in excess of Rs 93,500 crore (US \$14.1 billion), cash flows of Rs 10,200 crore (US \$1.7 billion), net profit of Rs 4,700 crore (US \$0.8 billion).

Reliance Communications is India's foremost and truly-integrated telecommunications service provider. The Company has a customer base of over 80 million, including over 2.6 million individual overseas retail customers. Reliance Communications' corporate clientele includes over 39,000 Indian and multinational corporations, including small and medium enterprises, and over 290 global, regional and domestic carriers.

Reliance Communications has established a pan-India, Next-Generation, integrated (mobile and wireline), convergent (voice, data and video) digital network that is capable of supporting best-in-class services spanning the entire communications value chain, covering over 21,000 cities and towns and over 400,000 villages. Reliance Communications owns and operates the world's largest Next-Generation IP-enabled connectivity infrastructure, comprising over 280,000 kilometers of fiber optic cable systems in India, USA, Europe, the Middle-East and the Asia-Pacific region.
