

Mumbai, 18 May 2018:

A Reliance Communications Limited spokesperson stated:

“We confirm that RCOM and Ericsson are at an advanced stage of discussions to expeditiously resolve commercial issues. This will enable Reliance Communications to exit the NCLT process.

RCom is confident to expeditiously proceed with its monetisation plan with Reliance Jio and overall Resolution Plan with the lenders, keeping in mind the interests of all stakeholders.

About Reliance Communications

Reliance Communications Limited, founded by the late Shri Dhirubhai H Ambani (1932-2002), has Corporate clientele that includes 40,000 Indian and multinational corporations, including small and medium enterprises.

Reliance Communications has established a pan-India, Next-Generation, digital network that is capable of supporting best-of-class services spanning the entire communications value chain. Reliance Communications owns and operates the world's largest Next-Generation IP-enabled connectivity infrastructure, comprising fibre optic cable systems in India, the USA, Europe, Middle East and the Asia Pacific region.
