*During an earlier year, GCX Limited, a step-down subsidiary of the Corporate Debtor, along with its subsidiaries/affiliates (collectively, "GCX") had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of your Company which were not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2019.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the "Effective Date" of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective)

Pursuant to the order dated February 25, 2020, the court had granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective inter alia seeking approval for process whereby a bifurcation had been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others could wait for occurrence of their effective date upon fulfillment of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of "Effective Date" of certain "non-regulated debtors" while the "Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the "Regulated Debtors") is expected to occur at a later date". The court confirmed the aforesaid and entered order on April 21, 2020.

A notice of occurrence of Effective Date for the Regulated Debtors dated December 31, 2020 has been issued by counsel to GCX (and served on the Company). The said notice inter alia provides that the Effective Date of the Plan for the Regulated Debtors has occurred on December 31, 2020.

In light of the aforesaid development, the Plan having now being effective in respect of the Regulated Debtors and the Non-Regulated Debtors, the Corporate Debtor has been divested of its indirect equity interest in GCX and there is no impact on the financial results of your Company.

Based on the above, Control by the Company over GCX Limited and its subsidiaries has ceased to exist upon initiation of the voluntary application under Chapter 11 of the United States Bankruptcy Code and accordingly the said Companies were deconsolidated with effect from July 01, 2019 for the purpose of and as per the requirements of Ind AS 110 "Consolidated Financial Statement".
